## MOTHERS READ.

GENTS:—About nine years ago I had a child two years old and almost dead. The doctor I had attending her could not tell what alled her. I asked him if he did not think it was worms. He said no. However, this did not actisfy me, as I felt convinced in my own mind that she had. I obtained a bottle of DR. C. McLANE'S CELEBRATED VEB-MIFUGE (genuine). I gave her a tesspoon-MIFUGE (genuine). I gave her a teuspoonfal in the morning and another at night, after
which she passed seventy-two worms and
was a well child. Since then I have never
been without it in my family. The health of
my children remained so good that I had
neglected vatching their actions until about
three weeks ago, when two of them presented
the same sickly appearance that Fanny die
aline years ago. So I thought it must be
worms and went to work at once with a bot-
